

392-000-203 PROVIDER RATES

IN-HOME CHILD CARE: As of January 1, 2015 the basic in-home rate is \$8.00 an hour.
Effective January 1, 2016 the basic in-home rate is \$9.00 an hour. This is used when:

1. A child has a special need for a childhood illness;
2. The client needs child care during evening, overnight, weekend, or holiday hours for any of the reasons listed in 392 NAC 3-007.01; or
3. There are three or more children in care.

If there are more than three children in care, you should negotiate a rate with the provider. The rate may be increased no more than the hourly rate for license-exempt family child care homes.
